

# FRIED CHICKEN PROGRAM

**BREADING TABLE | DEEP FRYER | LANDING TABLE**

# 1 *Prep Your Chicken*

The BKI® BT-24M breasting table is the perfect companion to the full line of fryers. These breasting tables are compact and portable for breasting and preparing product for frying. Our breasting system is designed to produce a consistent product while reducing breasting costs. A spring-loaded hinged marinade basket makes delivering raw product into the breasting lug easy. A hand sifter separates dough balls, promoting consistency in the sifted breasting.

# 2 *Fry Your Chicken*

BKI® fryers are simple, safe, and economical. Our highquality construction stands up to the heaviest use while our exceptional pricing provides the best value in the industry.

BKI offers a wide range of fryer types and sizes for every type of operation. Models are available in pressure and open styles with auto-lift, and manual, touchpad or touchscreen controls.

When you're looking for a fryer your two main options are open vat and pressure fryers.

## BLF OPEN VAT FRYERS

Want an easy way to create consistently delicious food every single time? Then you actually want a BKI® BLF series fryer. These extra-large electric auto-lift fryers are designed for long life, high product volume and simple operation.

The BLF series of fryers cook up to 24 lb (10.8 kg) of product with our optional grande basket in one cycle and holds 75 lb (34 kg) of oil. Choose from manual rotary controls or touchpad controls for easy programming and one-touch cooking.

## FKG PRESSURE FRYERS

Is it time to up your game in your food offerings?

The BKI® FKG fryer cooks up to 24 lb (10.8 kg) of product with our optional grande basket in one cycle and holds 75 lb (34 kg) of oil. The workhorse of pressure fryers, this extra large natural gas operated pressure fryer is designed for high volume, simple operation and long life. Choose from multiple control options.

# 3

## *Serve Your Chicken*

The LTS landing table is designed to easily transport product from fryers to hot display cases.

# Models

By combining the BT-24M breading table with a BKI deep fryer, and our LTS mobile landing table, you'll have a complete solution for your fried chicken program.
